

Memo of Understanding

Fees, Cancellation of Appointments, & Consent to treatment

Please be aware that when you make an appointment I am reserving that time for you alone. If you are late that will cut down on the time of your appointment, so please do your best to be on time. Also, I charge for missed appointments where I have not been given 24 hrs. notice. If you do need to cancel or reschedule I appreciate as much notice as possible, so that someone else who's been waiting for an appointment can be scheduled. To cancel or reschedule an appointment email me at drtemplin@gmail.com or call my direct line at 863-838-2779.

I voluntarily request and consent to treatment methods used by Steven Templin, D.O.M. I acknowledge and consent that such treatment methods may include but not be limited to: acupuncture, herbs, therapeutic massage, homeopathic remedies, nutritional and dietary recommendations, energy medicine modalities, energy psychology techniques, and self-regulation techniques and training. I also acknowledge and agree that the teaching and treatment methods are used for the purposes of 'promotion, maintenance and the restoration of health and the prevention of disease.'
